

## Payment Options

### Web Site Design/Development Services Payment

jWebSolution offers a quick and easy way for our customers to make a payment for Design Services. Through the use of the following link, you may make payment for the agreed to amount. After making payment using PayPal, you will receive an automated receipt from PayPal, with details of you purchase. After payment has been received, jWebSolution will also submit a receipt detailing the amount paid, and what services were rendered.
